"This is the day the Lord has made, let us rejoice and be glad in it." - Psalm 118:24

Greetings, Haslett Community Church! There is so much to celebrate together.

Our summer concert series is fully planned ([see page 5](#)) with wonderful, local musicians. We are planning several in-person worship services with real, live coffee fellowship throughout the summer ([see page 2](#)). We will induct several households into membership of Haslett Community Church during our July worship service. [Vacation Bible School](#) is going full steam ahead so our kiddos might know they are loved by God unconditionally. By your generosity, our church continues to be financially healthy with your regular giving, and the Flowers & Foundations campaign, which exceeded its goal by \$5,000, is allowing [south side improvements](#) to continue. The old tile sewer line has been replaced with a modern pipe, and, as I type this, preparations are being made for the retaining wall on the south side. The new bike rack was also delivered this week and will be installed this summer. Our building is opening up more and more ([see page 6](#)), and we have a firm date to be back in worship with one another with no pre-registration or attendance restrictions anticipated: September 5. We will be using the summer to prepare the building and property to welcome everyone back, while continuing to improve accessibility for those who have begun worshiping from a distance or choose to remain remote.

That is a lot of progress and planning to celebrate!

However, I recognize that many will be surprised to see we aren't returning to weekly, indoor, in-person worship sooner. My heart aches to be together, please know that. I recognize that this cautious approach will not be embraced by everyone. Our hope and prayer is that by waiting until fall, vaccination rates will be high enough and community spread low enough, that church will be a safe place for everyone. We want to

care for the vulnerable and the children and make them feel welcome (while also respecting those who choose to remain remote). We do not want to have to take reservations for church or keep visitors at bay. And we want the building and grounds to be ready for everyone.

We have come so far. We are so close. Outdoor, in-person opportunities abound this summer, which I hope will fill some needs. That being said, I know this is hard. While keeping many as physically safe as possible, there are spiritual and emotional health considerations to make. I do not take those lightly, and I know we have some healing to do as individuals, as a church, and as a world.

Dear ones, we are moving toward being together again in ways that are known to you. But that return will not be "normal," because we have traveled through too much together for that. I imagine we will enter our Sanctuary with a new reverence, some new sorrows, and overcome with a new appreciation for the gift of community and gathering.

I am full of gratitude for your perseverance and faith. You are wholly and dearly loved.

Yours in the Journey,
Pastor Betsy Aho

HCC is proud to welcome the Rev. Phiwa Langeni as guest preacher on June 13, 2021.

As a queer, Black, trans person from an immigrant family, the Rev. Phiwa Langeni is quite skilled at detecting and decreasing various societal gaps, especially with/for those with multiple minoritized identities. Like vibranium in Wakanda, innovation is inextricably woven into Phiwa's existence, wisdom, and strength. Since ordination in 2011, Phiwa has served in just about every local church setting possible: a thriving progressive church, multi-charge rural churches, a large suburban church, small churches deeply rooted in political and social justice, and a new church start/nonprofit hybrid. They currently serve as the Ambassador for Innovation and Engagement in the UCC's Center for Analytics, Research & Development, and Data. Phiwa is also the owner of a few small creative businesses, including their most recent adventures in fashion design. They solo parent an adult daughter who challenges them in brilliance and beauty. In their free time, Phiwa enjoys reading, upcycling, 90s R&B, dad jokes, and creating all manner of things.

Outdoor, In-Person Worship Services!

Bring a blanket or camp chair (or use one of ours) and join us on the lawn for worship on the last Sunday of each month this Summer.

In-person coffee fellowship, hosted by the Spiritual Life Committee, following each service. Coffee and individual snacks provided!

- Sun., June 27 10:00 a.m. – HCC West Side green space
• Sun., July 25 10:00 a.m. – HCC West Side green space – New Member Induction and Communion (individual elements provided)
• Sun., August 29 10:00 a.m. – Lake Lansing Park North (more details to follow)

Bathrooms available at all services.

This, along with the other in-person opportunities detailed on page 6 and in Betsy's letter on page 1, are moving us toward our Return to In-Person Worship in the Sanctuary on September 5!

Summer Preaching and Interview Series begins June 20, 2021.

It was a gift last summer to hear from one another when interviews were incorporated into summer worship. It will happen again this summer with a new series. The heart of this preaching and interview series is fostering deep connection and cultivating curiosity by asking, in the context of Biblical narratives, four connecting questions:

- Where are you from?
Where does it hurt?
What do you need?
Where do we go from here?

Interviewees will be both congregation and community members. Each of these primary questions/themes will guide the interviews for two

weeks, with one week highlighting someone at HCC, and one week highlighting someone from the wider community (that is the plan, anyway – we will remain open to the Spirit). You will be surprised by the directions in which these questions take us.

Journals will be available beginning June 14.

Please stop by the church and help yourself to a full color study journal to guide you through the summer as well! With original art, meditations, poetry, perspectives, and questions to ponder, you will find the journal a rich resource.

Be in touch with Michele or Betsy if you would prefer we drop off or mail a journal to you, as we would be happy to!

Vacation Bible School

August 2-4, 2021

Come learn about how much you are loved and treasured by God!

Open to all children from preschool through fifth grade! Older youth are invited to help out as group leaders!

If you are interested in being an adult helper for VBS please reach out to Pastor Erin.

Celebrate the class of 2021!

In honor of our graduating seniors, I share the words of the young poet Alora Young in her poem, "Our First Exodus":

*high school has always been to me an enigma
every moment in those hallowed halls felt like a phantom fleeting
I never thought that junior year that would be our last true meeting
we were just birds, in an airport, warbling in e minor
on our way to catch the latest and last covid liner
flying to save our country's legacies from early graves
because we know too much and we care too much
and we want to do the most dangerous of things
be the night sky and the stars within it at the same time
our revolutionary covenant will persist for centuries because discovery is innate to our nature
we were born explorers and as we grew older we discovered the love of our neighbor
there is a distinct difference between being taught and learning
education seems to me more than a right- It's a necessity creates creatives that lead us through the fight running restlessly into tomorrow.
we survived the darkest night and still made it home
we are survivors, untamed by fires
undefeated by flood or disease*

*through every battle we are fighters
we are finding the American spirit again
we know the pain of martyrs
we'll take the guidance of the men who poured the tea in Boston Harbor
I will move this tassel for every classmate that never made it to graduation
because one day this flag will mean what I think it is supposed to
and we will build the world that we had always hoped to
this is a prayer for every kid we never truly got the chance to pray for
I swear on all that is fair you are worth more
and when I see you in your caps and gowns
standing at those stage doors I know tomorrow will be better because you are in it
we are in a battle for the soul of our nation
for every entity and identity that makes up our potentially penultimate generation
for the day every faith in our country is restored
to the class of 2021
to our people evermore*

CONGRATULATIONS Laney Bollman, Kyla Chamberlain, Nolan Emerick, Ben Faber, Levi Gardner, Ashley Holcomb, Logan Mowid, Chloe Pennoni, Joey Schaubroeck, Emerson Stehlik, Jon Thompson, and Julia Thompson! We are sad to see you go but we can't wait to see how you change the world!

We are very sad to share the news that the 2021 mission trip will not be happening. As the world opened back up this spring, youth & their families were faced with many demands on their time and summer commitments.

We are beyond thankful for the congregational and community support of these trips through all of our fundraising efforts and we want you to know your donations will not be wasted. We are already looking ahead to 2022 and your funds will support the trip to wherever we feel called to serve.

We are hopeful for the return of many of our favorite past fundraisers including a fall golf outing (September 19th), pumpkin sale, Bingo night, as well as our much beloved spring taco sale!

Every Monday at 7pm!

Starting Monday, June 7th all hcc youth group alumni (class of 2020 and older) are invited to come to the church for a new young adult youth group that will meet this summer.

There's no expectation that you come every week. Drop in whenever you can!

We will meet on the church lawn when the weather allows, so bring a chair, blanket, etc.

We have begun making some live music in the church again!!

Every Wednesday evening at 7:00 pm some of the members

of the chime choir are meeting. We still have some space for new ringers, so why not give our group a try? We are following all the safety rules and are masked.

Good news for our services – you will soon be receiving help singing hymns, as some of our members are willing to be song leaders. I know it will make you all braver if you have someone to sing with. Barbara will be signing up those who volunteer, so please contact her – the best way is by texting her at 517.881.9976 (you can call her here, too). We can have as many as two singers at a time but hope for more soon.

The **choir virtual chat** from May was postponed to June, and is now **THURSDAY, June 17**, at 7:00 pm. Hope all you choir folks will plan to join in:

Work is progressing on the newest virtual choir anthem, and we will be glad to share it as soon as it is finished.

Lastly, many thanks to the musicians who provided anthems during May. We had a solo from Mary Trebilcock, a duet from Joyce Bischoff and Missy Bischoff Lilje, a rousing anthem from the choir (thanks, Kirk Riley!), and a great rendition of “Every Time I Feel the Spirit” by Michael Dease and his tuba. ~Judy

Dear Ones,

I hope you are all keeping safe...and patient. :) As Judy mentioned, we DO have good news on the live music front. By the time you read this, you may have seen live music for the services.

Mary Trebilcock and Becky Leefers have been able to SING for the anthem (May 9th) and the Hymns (May 23rd). The chime choir is practicing for another anthem and there will be more to come!

This is like coming out of a long hibernation...anxious to get back to LIFE, but still having a restriction here and there... But I hope you know I am missing you and thinking about all of you when I play.

Hang in there, everybody!

Love, Barbara

Barbara Freeman generously offers Music to Soothe the Soul for us on **Friday mornings at 11:00 am!** If you enjoy hearing her play, you can join in by

Church Open for Office Hours!

Have some church business you would like to take care of in person? Have a question and tired of email? Just want to remember what the inside of the church looks like and say hello? Grab a mask and stop by for office hours!

Beginning June 8, the church office will be open Tuesdays and Thursdays from 10:30am - 1:00pm each week.

Michele Booher, Office Manager, will be in the office on Tuesdays, & Pastor Betsy will be in on Thursdays.

Pastor Betsy will also continue outdoor office hours Wednesdays from 11:30am -1:00pm.

Because we're offering more weekly in-person office hours, in June, **we will be ending Virtual Check-in with Betsy on Tuesdays.** Thank you all for the connections you've been a part of during the last 14 months! Please come see us in person during the times above.

Church Meetings of Up to 25!

Open Space Church committees, teams, and groups, of up to 25 people can now meet in the Sanctuary. We are not currently allowing outdoor groups to meet inside but are moving in that direction.

To schedule your HCC group meeting in the Sanctuary, you must contact Michele Booher, Office Manager. Michele will work to ensure there are no conflicts with building use and will share safety protocols.

We are also happy to set up a virtual option if you would like to continue meeting remotely, or if your group members prefer a hybrid remote/in-person model.

South side improvements continue!

Made possible by generosity to the Flowers & Foundations campaign, the new sewer line is in and working, and the retaining wall work has begun!

Simply Give at Bath Meijer

The Haslett Community Food Pantry has been selected once more as a recipient of the spring **Simply Give** campaign, which runs in the **Bath Meijer store only from Sunday April 11, through Saturday, July 3, 2021.**

Meijer will **double Simply Give donations** made at the Bath store on:

- **Saturday, June 19, 2021**

On that day, for every \$10 donation card purchased, Meijer will provide an additional contribution of \$20, resulting in a total donation of \$30 to our food pantry.

While other days are not double-matched, a Simply Give donation on any day is welcome, as the total campaign produces much valuable food pantry assistance!

Thanks to generous customers and Meijer Foundation support, the Simply Give campaign generated over \$57 million in food donations for more than 430 food pantries throughout the Midwest since 2008.

Most of these events are weather and restriction dependent.

Please keep a lookout for fun events that we are trying to bring your way when the weather is best and they can be done in a healthy way. We know that emotionally, we all need to be together, and physically, we all need to stay in our own space. We are planning to bring you more in the coming months. **Call or text Kim Carnes at (517) 331-3586** if you'd like to be involved, or have ideas.

Coffee With Jesus
(Exploring our Questions about Faith, Life, and Spirituality)

A new adventure is coming to Coffee with Jesus! We'll be having a new focus each meeting so that you may come to whichever week you choose, to sample our discussion and the supportive spiritual community our little group shares. All are welcome!

Instead of meeting every Sunday after church like we have since the beginning of the pandemic, we will begin meeting **every other Sunday around 11:15am**. Join us sometime in June: **June 6 and 20**.

The focus of our meetings will be on short chapters from **An Altar in the World, a Spiritual Geography** by Barbara Brown Taylor, described as "The most practical but everyday mystical book I have ever read," by singer-songwriter Kate Campbell.

Taylor wonders with us about being religious or spiritual, or maybe both? She asks, "Have you ever become 'tired of arguing about your religion, tired of reading about spirituality, tired of talk-talk-talking about things that matter without doing a single thing that matters yourself?' If so, this book is dedicated to you." Another reviewer says: "with a delightfully deft touch, [Barbara... goes to the heart of her matter and of ours] finally a recovery of genuine prayer, the prayer of a heart awakened to God's Presence - here, and now, and ever." - Scott Cairns, author.

We would love to have you join us! The book has been ordered through Schuler's and should be on the book club table under Haslett Community Church with Coffee with Jesus.

Human migration and climate change: Is there a connection between climate change and recent migration from Central America

Tuesday, June 15, 2021 at 7:00 p.m.

Dr. Edwin Josué Castellanos

Director, Observatorio Económico Sostenible
Universidad del Valle de Guatemala

Dr. Castellanos is the coordinating lead author in the U.N. International Panel on Climate Change's 6th Assessment Report in the chapter on vulnerability and adaptation for Central and South America.

Description:

Climate change intensifies agricultural degradation, food scarcity, limited access to clean water and other challenges and is a growing and significant push factor in human migration patterns. Although climate migrants who flee unbearable conditions resemble refugees, the legal protections afforded to refugees do not extend to them. The evidence from climate variations observed in the last two decades in Central America and the possible connection with the observed increase in migration in recent years will be presented. Other factors influencing migration will also be discussed, including poverty, the lack of opportunities and violence.

What's Happening at HCC

As you can see as you read throughout this newsletter, our building is beginning to open up more than it has been for the last 14 months. For everyone's safety, we are holding off meeting for indoor in-person worship until September 5. In the meantime, HCC group meetings are beginning to happen (by appointment when team leaders/committee chairs contact Michele in the office: 517.339.8383 or hcc@haslettcommunitychurch.org). Other meetings continue to happen by phone or computer, via ZOOM videoconferencing or Facebook Live, and there are also a few hybrid in-person/virtual opportunities, along with some outdoor in-person gatherings. Here is a list of meetings scheduled, online and other, so you can stay connected.
