"How many are your works, O Lord, in wisdom you made them all; the earth is full of your creatures." - Psalm 104:24

As we enter the last month of the program year, and go careening toward summer, Haslett Community Church will continue to offer numerous remote options, while also offering ways to connect and convene (with proper distancing!) outside. With all of the unpredictability of the continued pandemic, there seems to be one fact that remains constant: visiting outdoors is a safer place to be with people than indoors, even more so when safety measures are taken.

So, as weather improves, look forward to opportunities to safely be together in the outdoor space of the church that we love.

The most immediate opportunity is the return of Outdoor Office Hours. Every weather permitting Wednesday, from 11:30 a.m. – 1:00 p.m., I'll sit outside the church in a spot visible from the parking lot and just welcome whomever comes to chat! I realize this timeslot is not convenient to everyone, so please get in touch if you would like to schedule a time to meet with me. We can meet at church, or I can come to you. I am fully vaccinated against COVID-19.

In addition, outdoor worship is planned for the last Sunday of June, July, and August. The services on June 27 and July 25 will be in the outdoor space of Haslett Community Church. The outdoor service on August 29, will take place at Lake Lansing Park North, as is a long standing tradition of HCC and the Spiritual Life Committee. All three services will be followed by Outdoor Coffee Fellowship, provided by the Spiritual Life Committee! Not ready to gather in-person yet? We will also provide a remote/live-stream option. More info about the June service and coffee hour will appear in next month's edition of this newsletter.

Finally, HCC will be home to outdoor, free, family-friendly concerts!

Yes, Summer 2021 will be the inaugural season of the Haslett Community Church Summer Concert Series. Bring a lawn chair or blanket to HCC at 7:00 p.m. each weather permitting Thursday evening from July 8 – August 12 and enjoy an hour of music and community building. We will invite our neighbors and show them what HCC welcome and hospitality is all about! Meridian Township is on board with this idea as well, and loves the community and family focus of the event. There is a good chance you will recognize many performers.

The downside of outdoor stuff is that they are weather dependent. But the upside is that when the weather cooperates, God's creation is our Sanctuary, our Friendship Hall, and our concert venue! We have a great summer planned!

We are keeping an eye on vaccination rates and other data markers, and we look forward to welcoming everyone back to our Sanctuary. In the meantime, let us give thanks for creative adaptation and summer sun.

Yours in the Journey,
Pastor Betsy Aho

P.S. Thank you for maintaining distance and wearing a mask (when not eating/drinking) out of care for community, even when outdoors. And know that bathrooms are accessible at all of our outdoor functions.

Flowers & Foundations are Growing at Haslett Community Church

Friends, at publishing time, we are nearly to our Flowers & Foundations Fundraising goal! Thank you for your generosity and support of the goal to make Haslett Community Church an inviting, safe, and beautiful place for members, friends, and the community to experience the welcome and grace of God.

Here is where the numbers stand:

Goal:	\$65,000
Transfer from fund balance:	\$21,000
Contributed as of 4/26/2021:	<u>\$41,368</u>
Amount left to reach goal:	\$ 2,632

While we are wrapping up our fundraising push, we will continue to accept donations and add names to the Garden Wall of Gratitude. If we surpass our goal, the monies will rollover year to year, and hopefully continue to build so that we can prepare for future needs. For details on how you can help contribute to “our home”, including instructions on how to make a tax-deductible donation online or by check, and how to give in honor or memory of a loved one, click [HERE](#).

Your gifts to this fundraiser, your continued generosity to our general fund through pledged and other giving, and your involvement in, prayers for, and connections with Haslett Community Church are what make this a church with and without walls!

We will keep you informed about progress with the projects funded by Flowers & Foundations as well. First up is the sewer line replacement, retention wall replacement (with poured concrete), and porch replacement on the south side of the building. This work will begin this month! There is a chance that the honey locust tree near the south entrance to the parking lot will have to come down for the sewer work. If this is the case, we may not know until the day the decision is made. However, we will replace the loss by having at least five trees planted in U.S. National Forests.

Thanks to the Scouts and Cub Scouts for getting our South Side Projects started with the removal of stones from the window well on Saturday, April 24! The stones had to be removed prior to the new retaining wall being poured and we are grateful to the Scouts for their hard work!

Brown Bags & Beliefs Will Return Fall, 2021

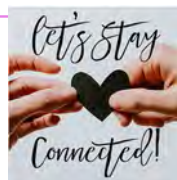

BBB is the Wednesday evening Spiritual Life program lead by Pastor Betsy. Each series has a different focus. During the 2020-2021 Program year, Brown Bags & Beliefs did a 'Let's Talk TED Talks' series, a 'Make Time for Mindfulness' series with Becky Womboldt, LMSW, and a Lenten Series on Racial Equity. All involved good conversation, learning, and spiritual growth.

This spring, with more congregants getting vaccinated, Betsy is investing a good deal of time visiting and connecting with people, and she will continue to focus time and attention in that way and not offer a BBB series this spring (BBB typically takes a break in the summer). But stay tuned as plans are made for more Brown Bags & Beliefs series coming in September!

Have an idea for a series? Share it! Contact Betsy at 517-282-7443 or aho.betsy@att.net

Virtual Check-in with Betsy

Pastor Betsy hosts a weekly informal congregation check-in via Zoom every TUESDAY at 12:30 pm.

All are invited to use this time - it's good to hear familiar voices, see familiar faces, and be together as we can! Betsy looks forward to connecting with you!

Garden Updates

Spring has sprung at HCC. Under the supervision of Sally Garrod, our Native Plant Specialist, we have weeded and mulched the Memorial Garden, as well as the "Mary Nelson" garden on the west side of the church. Tom Nelson is so excited to see the area get native plants implemented into the garden site.

You all know how one thing leads to anotherwhile weeding and trimming, we noticed that we have overgrown trees and diseased bushes near our west entrance. The good news is the Garden Team is excited and energized to take on the challenge of updating these areas with native plants, trees, and bushes in mind.

If you feel like playing in the dirt and weeding, come join the fun. Please contact Kelly Flagg (kj.flagg@icloud.com) for scheduled times. If you are unable to help...drive by and check out our progress.

Special thanks to *Wonderful Weeders and Mulchers*: Mark and Sally Garrod, Dan and Stephanie Bollman, and Zsa Mahon. Also, thanks to Rich Newport for the use of his trailer.

Hello HCC Family,

I have missed all of you so much and can not wait until we can be together again.

I want to invite you to change a life this spring. Join the world's largest GLOBAL 6K for Water **May 22, 9am** at Lake Lansing Park North, or wherever you are. 6k is the average distance people in the developing world must walk one or more times a day for dirty water. Now more than ever, clean water is essential to protect those who need it most.

This is a great time to safely enjoy the park and trails with family and friends while changing lives. \$50 brings life-changing clean water to one person. May 1 – 22 we have a promo code to take \$10 off your registration. The promo code is: RUN6KToday.

Every step you take is one they won't have to. Will you join us?

Coffee With Jesus
(Exploring our Questions about Faith, Life, and Spirituality)

A new adventure is coming to Coffee with Jesus! We'll be having a new focus each meeting so that you may come to whichever week you choose, to sample our discussion and the supportive spiritual community our little group shares. All are welcome!

Instead of meeting every Sunday after church like we have since the beginning of the pandemic, we will begin meeting **every other Sunday around 11:15am**. Join us sometime in May: **May 2, 16, and 30**.

The focus of our meetings will be on short chapters from **An Altar in the World, a Spiritual Geography** by Barbara Brown Taylor, described as "The most practical but everyday mystical book I have ever read," by singer-songwriter Kate Campbell.

Taylor wonders with us about being religious or spiritual, or maybe both? She asks, "Have you ever become 'tired of arguing about your religion, tired of reading about spirituality, tired of talk-talk-talking about things that matter without doing a single thing that matters yourself?' If so, this book is dedicated to you." Another reviewer says: "with a delightfully deft touch, [Barbara... goes to the heart of her matter and of ours] finally a recovery of genuine prayer, the prayer of a heart awakened to God's Presence - here, and now, and ever." -Scott Cairns, author.

We would love to have you join us! The book has been ordered through Schuler's and should be on the book club table under Haslett Community Church with Coffee with Jesus.

It's fun to share, and we learn about a variety of books, authors, and each other. Feel free to drop into Zoom and give it a try!

We meet next on: **Thurs., May 13, at 7:15 pm, via ZOOM** (see below).

“The sun is shining more, and the light of daytime seems to be extending, so with temperatures warming, we hope to get the chime choir rehearsing outside again. Almost everyone in our musical groups is now vaccinated, so hopefully we can start up a few other things. If you are interested in “chiming” please watch for further announcements as to a starting date.

We are in the process of producing our next virtual choir piece for sometime in May. Easter and spring break have slowed us down a bit, but now the piece is coming along – hopefully you will enjoy a different arrangement of the spiritual “Peace Like a River”.

Our prayer is “let joyous voices sing out together again soon”.

Until then, we have another **Virtual Choir Gathering** planned on **Wednesday, May 19, at 7pm via Zoom:**

One Great Hour of Sharing

This year's One Great Hour of Sharing theme is **"Let Love Flow"**. When you **"let your love flow"** through OGHS, in partnership with others across the world, a greater impact can be brought to respond to a variety of global and local concerns.

- **Let your love flow** to help create sustainable development
- **Let your love flow** to help refugees
- **Let your love flow** to help in recovery from natural disasters
- **Let your love flow** to help bring clean water to communities without

Among the many needs, this year's focus is on bringing clean **"flowing"** water to communities where there is none. When water comes to a village, everything changes. It touches every area of life. Women and children will not have to spend whole days walking to a (not necessarily clean) water source and then carry heavy buckets home. Sanitation is improved to slow the spread of disease. There is less food insecurity because crops can thrive. With clean **"flowing"** water, children can go to school and families can train for new vocations to support themselves and their communities.

When we share the gifts God has given us, we **"let love flow"**. That love flows over all sorts of spaces and dividing lines, knitting together a better human story, and opening a glimpse into the Kingdom of God. When we give to OGHS, we support water and other sustainable development projects all over the world. When you **"let love flow"**, lives can be saved and transformed!

We will be highlighting OGHS through May 16, by collecting our usual One Great Hour of Sharing Special Offering through donations this year instead:

- Donations can be made by check: to HCC, with "OGHS" in the Memo line
- Donations can be made online [HERE](#) by choosing "OGHS" from the Funds dropdown menu.

On May 16, we will offer special prayers of thanksgiving for this opportunity God has given us to share our gifts and offer hope to others.

So, open up your tap and ...

LET LOVE FLOW!

If you would like to learn more about becoming a member of Haslett Community Church, join us for the **Inquirer's Class on May 16th at 11:00 a.m. via Zoom.**
